Statement of Purpose Part 2

Aims and Objectives

Aims and Objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

Carlisle Mencap is a registered charity established in 1968, providing life-long support for people with disabilities and their families. Our Supported Living and Community Outreach services have highly trained staff teams and specialise in supporting people with a range of disabilities, those who without our assistance would not be able to live full and active lives. We deliver meaningful, person-centred support based on the needs, wishes, dreams and ambitions of our clients. We advocate for our clients and believe that the learning disability community should have access to a wealth of experiences, should be treated with respect and should not be excluded from access to mainstream community activities, employment or health services on the grounds of their disability.

From our head office in Carlisle, the Registered Manager has oversight over four Supported Living houses and Community Outreach opportunities for adults and children.

Supported Living

We provide support to 9 ladies in 4 Supported Living houses. These ladies hold their own tenancies and our staff team supports them in their own homes. The ladies have 24:7 staff support and all have support with personal care. The ethos in Supported Living is one of empowerment and the staff team support the service users to develop new skills and learn to be more independent with domestic tasks around the home, managing their own needs and accessing the community. Service users are supported in decision making, goal setting and removing barriers to work towards their dreams and aspirations.

Community Outreach

Our Outreach programme is delivered for both children and adults so it is a life-long service. We promote choice and independence, meaning the outcomes for support and planned activities are based on the needs and wishes of the service user. Support can be delivered in the home, in the community or to attend activities such as sports clubs.

We believe that everyone with a learning disability has an equal right to choice, opportunity and equitable access. We put the needs of the people we support at the heart of everything that we do and we champion change where there are barriers to inclusion. We are regulated for Personal Care and under this regulated activity we promote dignity, respect and independence.

We make the following promises to our Service Users:

- We will respect your personal dignity and privacy
- We will respect your personal wishes and beliefs
- We will respect your cultural, emotional and relationship needs
- We will respect your rights to make choices about your life
- We will support you to become active participants in your community
- We will run our services in a fair and inclusive way
- We will make sure staff and volunteers have adequate training
- We will keep your personal information private
- We will seek your views on the service and how we can make it better

Description of the Location

(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)

Supported Living

We work in 4 Supported Living homes, each of the premises are assessed as suitable for the service users who reside in them. 2 of the properties are bungalows and are accessible for clients with difficulties with mobility. Where required, we work with Physiotherapists and Occupational Therapy to identify where there is a need for adaptations of specialist equipment. We currently use the following:

- Overhead fixed ceiling hoist tracking
- Gantry hoist
- Walking harness
- Hoist slings
- Mangar Elk lifting cushion
- Profiling beds
- Shower chairs
- Wheelchairs
- Walker frame
- Zima frame
- Seizure Monitors
- Audio monitors
- 2 houses have sensory corners

Outreach

Outreach will take place primarily in client homes or out in the community. Where there are specific needs, which cannot be met in the community, service users will have access to the Grace Little Centre, as outlined below.

Grace Little Centre

All Outreach and Supported Living service users have access to The Grace Little Centre, which is a specialist, purpose-built facility owned by Carlisle Mencap. The Grace Little Centre is a single storey building, designed to be totally accessible for people with disabilities. Features include:

- Fully equipped Sensory Room
- Soft Play
- Activity/Craft Room
- Kitchen with height adjustable cooker, worktop and sink
- Accessible Bathrooms with overhead tracking, changing table, shower and height adjustable bath
- Spacious communal area
- Accessible garden with disability friendly play equipment.
